AIRLITES : INSTANT, ACCURATE, NON-PERMANENT CREATIVE HAIR & COLOUR CONSULTATION SYSTEM

Mist Air introduce a revolutionary new system that temporarily colours hair in either natural looking highlights or fashion colours with incredible results! Airlites offers your clients an accurate example of how a permanent colour treatment will look. This method is instant, non-permanent and completely safe.

Clean and simple to use, your client can choose from a range of 16 natural and 12 fashion colours which are sprayed directly onto their hair in just a few seconds. Once your client is confident that the new colour is for them, the permanent hair colouring treatment can immediately begin.

"Stunning highlights and hair design created within minutes"

Mist Air's exclusive range of colours enable designs to be applied directly to the hair, leaving them instantly wearable; it has opened up creative and profitable opportunities for salons and beauty businesses around the world. They wash out with normal shampoo leaving no residue on even coloured or bleached hair!
